Dear Candidate: Analysts from around the World Offer Personal Reflections on Psychoanalytic Training, Education, and the Profession

Fred Busch

In this first-of-its-kind book, senior psychoanalysts from around the world offer personal reflections on their own training, what it was like to become a psychoanalyst, and what they would like most to convey to the candidate of today. Perfect for candidates and psychoanalytic educators, this book inspires analysts at all levels to think, once again, about this impossible but fascinating profession and to consider their own psychoanalytic development.
